

VOLUME 2

Mentor Sentences grades 3-5

Add-On Pack

*Modifications for
Revisions &
Imitations*

How to Use This Pack

Some of your students may struggle to complete the lesson on revision and imitation days for several reasons. They might be slow writers and struggle to get the sentence rewritten. They may have a hard time “seeing” the structure to imitate. Or, they may get overly descriptive and lose focus on the sentence. These modified sentence frames provide a way to help scaffold for your students. After showing the class your example of the revised or imitated sentence and discussing it, provide the sentence frames to the students who need extra support. These modified sentences are not meant for all students - you want students who can think more creatively to be allowed to do so!
